WE START 1991 WITH ANOTHER MONSTER ISSUE. THAT IS A GOOD SIGN THAT COLLECTING INTERESTS REMAIN HIGH. HOWEVER, THE WORK THAT IS INVOLVED IN GETTING THE FEBRUARY ISSUE OUT IS MURDER. THERE ARE ALWAYS THOSE WHO SEND THEIR RENEWALS IN LATE WHICH CAUSES HAVOCK WITH TRYING TO GET THE MAILING LIST COMPLETE. THIS YEAR IS NO EXCEPTION. I HAVE SPENT 12 TO 14 HOURS A DAY TRYING TO KEEP EVERYTHING UP TO DATE. IF EVERYONE GETS THIS ISSUE WITHOUT PROBLEMS OF MAIL I'LL BE HAPPY. THIS PROBLEM ALSO CAUSES A NEW RULE. IF YOU RENEW LATE, AFTER ATCO HAS BEEN MAIL, YOU WILL NOT GET THE NEXT ISSUE UNLESS YOU SEND $1.00 FOR FIRST CLASS POSTAGE. IN THE PAST ATCO HAS SPEND FROM $200 to $300 A YEAR FOR FIRST CLASS POSTAGE BECAUSE OF THESE LATE RENEWALS. ENOUGH IS ENOUGH!!!!

HAPPY HUNTING - YOUR EDITOR!!

Dear Bill:

I correspond frequently with a Canal Zone specialist and I asked him for the current status of some of the U.S. Military Bases which have issued tokens. Here is a synopsis of his answer:

ALBROOK FIELD	Now an Air Force Station with inactive runway. Was once a major Air Corps Pacific Side Base in 1930's. Now main APO in Canal Zone.
FT. AMADOR	Formerly USARSO Pre 1979 Military Intelligence and CIA were there right on the Canal leeside at Balboa. Now just quarters. Most of it given to Republic of Panama in 1979.
FT. CLAYTON	ARMY. Home of mechanized battalions. Formerly 33rd INFANTRY AT MIRAFLORES LOCKS. 193rd Brigade H.Q. now.
COCO SOLO	NAVY SUBS AND SEAPLANES till Post WWII. Now quarters only at Cristobal.
COROZAL	ARMY - Dates to Pre WW I when it was Canal Zone Barracks for Canal Workers Lots of "ash & trash" stil there like, PX, Maint. Engineers, Commissary, metal shop.
FT. DAVIS	ARMY - Logistics Batt. 10th Inf. at Gatun Locks.
CP. ELLIOTT	MARINES UNTIL THEY LEFT TO PUT DOWN REBELLION IN NICARAGUA. Never returned Army took over. Now Republic of Panama.
FRANCE FIELD	Lindbergh landed here in 1928. Once the major Air Corps Base on the Carribbean. Inactive - Turned over to Panama.
HOWARD A.B.	ACTIVE - Air Force Hdqts. C 5 Transport capable. One of first Army Helicopter units. Built in WW II
FT. KOBBE	Adjacent to Howard. Lots of Army units-Engr., Sig., Airborne company housing.
FT. SHERMAN	Jungle Warfare School. Active Army. Formerly Toro Point.

I thought that this information might be of interest to Readers who are collecting Military tokens. Also, it has pretty well been determined that the tokens wuch as: SC 331-25, C ZOOM and CZ NCO do not stand for "CANAL ZONE" but rather "CAMP ZAMA" in Japan.

Hank Reidling

(Editor's Note: Thanks Hank. Such information is useful to Military collectors looking for the location of the tokens they have.)

USEFUL INFORMATION By Norman Peterson

In preparing our book in "THE MAVERICKS OF NORTH DAKOTA" Norman L. Johnson used a novel method to prepare good rubbings. These rubbings may be touched up with pencil to give a quality rubbing suitable for duplication.

This method mounts a token firmly (I like to use removable cellophane tape) to paper and then rub the paper with an aliminum token. I find that rubbing the tokens face to face and touching them up using the edge, gives an exceptionally good reproduction.

(Editor's Note: I'm not sure that I fully understand this but wanted to get it in anyway)

HERB RUMBAUGH PASSED AWAY. WE RECEIVED WORD LAST NIGHT (the night before publication) that HERB HAD DIED. WE HAVE LITTLE MORE INFORMATION THAN THAT. HE WAS AN AVID COLLECTOR OF PELLA,IOWA TOKENS AND HAD WRITTEN A BOOK ABOUT THOSE TOKENS. HOPEFULLY BY NEXT ISSUE WE WILL HAVE MORE INFORMATION FROM THE FAMILY AND WE CAN PUT SOMETHING MORE IN THE MARCH ISSUE.

THRU MAY

LETTERS TO THE EDITOR:

Is there anyway I can find out if this "BINKY" feller was in Germany in 1960? His photo in the Dec./Jan. ATCO sure did remind me of my old "FIRST SERGEANT".
Elmer E. Randall.
(Editor's Note: Binky called and I asked him about your comments. His statement was: "How in the heck do you figure I got the way I am. Dealing with turkeys like I had in Germany got me this way." So, my question would be, was he like this in Germany?)

* * * * * * * * * * *

Give old Binky a swift kick for me.
Mike Goins
(Editor's Note: Mike you better hope he doesn't find out your address. He lost his membership list and I would not send him another one so your safe for a little while. The last guy that said something like that got a load of you-know-what dumped in his driveway.)

* * * * * * * * * * *

Dear Bill: I want to register a complaint against Binky. He was through here the other day and offered to buy all my saloon tokens for $5.00 each. He said the bottom was going out of saloon tokens and offered as one proof the fact that you were selling all yours. If you run into Binky and he makes such an offer tell him to go soak his head - no maybe you better not say that. He might dump a load of garbage in your front yard. He's now hauling garbage from New Jersey to South Dakota. The market on saloon tokens has never been better. They are a very limited type of token and once in collectors hands, there will be no more.

Regards, Merlin Bundhus

* * * * * * * * * * *

Dear Bill: I want to complain about Binky. He was through here about a week ago and wanted me to invest in his company. He has contracted to haul garbage from New Jersey to South Dakota and he was going to expand, buy a new truck and haul oranges back to New Jersey. He said that those people had not seen an orange in years and that it would make me rich. I did not go for it but apparently he did get one or two California collectors to go for his deal. He was also interested in buying saloon tokens cheap.

Watch out for this guy.

Regards, Jere Runicman

* * * * * * * * * * *

Dear Bill: What's the deal on Binky??? He was through here a couple of weeks ago and stopped by. Wolf (my dog) almost ate him. He stunk of garbage. He tried to sell me stock in his garbage hauling company. He said that he would take saloon tokens as payment for the stock as the bottom was going of out them anyway. I told him to get lost. Let other collectors beware of this guy. Rosie (my wife) was holding her nose all the time that he was here.
REGARDS, CHUCK LITTLEFIELD
P.S. His truck has red blotches all over it. Looks like someone blasted him with tomatoes.

* * * * * * * * * * *

Dear Bill: If you get a chance to see or write Binky, please tell him not to come to my house when I have company, or if he does to stay down wind of my front door. We don't get that kind of odor up here in North Dakota. His truck didn't look like it had been washed in months - it had a bunch of red blotches all over it. UGH!

Norm Johnson

BEING THAT THIS IS THE ONLY SPACE LEFT AS WE GO TO THE PRINTERS I'LL TAKE IT TO MAKE A FINAL COMMENT:

I PICKED UP THE MAIL THIS MORNING, AFTER A TERRIBLE TIME OF GETTING THE MAILING LIST COMPLETED, AND FOUND ANOTHER DOZEN LATE RENEWALS AND THERE WILL BE MORE I'M SURE. ALSO, FOUR MORE PAGES OF ADS WHICH MAKES THE EFFORT TO GET TO THE PRINTERS EVEN MORE DIFFICULT. THE ONLY THING THAT I CAN DO IS GO BACK TO THE OLD RULE OF CLOSING ON A CERTAIN DATE AND HOLDING TO IT.

Your editor.

Georgia Trade Tokens

Georgia
Trade Tokens

Georgia Trade Tokens, a hard-bound volume of 240 pages and 360 photos, is the most comprehensive listing of Georgia tokens yet attempted. Tokens listed in this book were used as early as the 1830s all the way up to the 1980s, which represents over 150 years of token usage in Georgia.

Most tokens have values which coincide with the circulating coins of the day. There are, however, several odd denominations used in Georgia such as 2, 2½, 3⅛, 4, and 12-12 cent tokens as well as $5 and $10 tokens. In addition to numerical values, quite a few tokens are redeemable for goods such as "one loaf," "lunch," "cup of coffee," or "one glass of soda."

Tokens are listed alphabetically by town name and by merchant name within each town. The catalogers, James D. Partin and Randy Partin, looked up every token listing in all of the Georgia Dunn and/or Bradstreet directories they own. If the merchant was listed in any of these directories, the dates and/or type of business is listed below the description of the token.

Copies are $25 and are available by writing to James D. Partin, P.O. Box 1091, Lake Alfred, FL 33850.

NOTES FROM YOUR EDITOR:

FIRST, I MANAGED TO SURVIVE ONE OF THE WORST RENEWAL PERIODS I'VE HAD. OVER 80 MEMBERS WERE LATE WITH RENEWALS WHICH CAUSED HAVOC WITH OUR MALING LIST NOT COUNTING OVER $100 SPENT IN FIRST CLASS MAIL TO GET ISSUES TO THEM. IT'S LIKE REWARDING SOMEONE FOR BEING LATE - ENOUGH IS ENOUGH!!

HAVE HAD A NUMBER OF REQUESTS FOR INFORMATION ON THIS YEARS SHOW IN MINNEAPOLIS. I HAVE NOT HEARD FROM DICK GRINOLDS AS YET. I'M SURE HE IS GETTING SOMETHING PREPARED FOR AN ISSUE SOON. JUST BE PATIENT.

WE NOW HAVE A "SPURIOUS OR ILLEGITMATE TOKEN (FANTASY, FAKES, ETC.)" EDITOR. PLEASE NOTE BILL WILLIAMS ARTICLE IN THIS ISSUE.

IF YOU HAVE ANY SUCH TOKENS OR INFORMATION ON SUCH PLEASE SEND THAT INFORMATION TO BILL WILLIAMS, 152 KAWGA WAY, LOUDON, TN 37774.

WE WILL HAVE ARTICLES ON THESE TOKENS SO THAT ALL COLLECTORS CAN BE INFORMED AND WARNED!!

THIS ISSUE IS SMALLER WHICH MAKES IT MUCH EASIER FOR US TO GET OUT. THOSE LAST TWO ISSUES WERE BEARCATS. I'LL PUT THEM OUT IF THERE ARE ENOUGH PAGES BUT "OH" FOR ISSUES LIKE THIS ONE. HA!

HAPPY COLLECTING!

MERCHANTS' TOKENS, trade checks, "hickeys," or whatever else they were called, played a vital part in the economy and development of our West. They were a medium of exchange used by stores, saloons, livery stables, and restaurants; in fact, about all of the early business enterprises used tokens.

Some card rooms and taverns in certain areas issue and redeem them at the present time.

They were generally made of brass, bronze, aluminum, copper, nickel or German silver. The author has in his collection a set made of lead, issued by an early-day merchant of Hays City, Kansas.

They were of various shapes, round being the most popular, and of various denominations. The "bit" (12½¢) was in common use in the saloons, as drinks were generally two for two bits. Other tokens were good in trade or merchandise for 5¢, 10¢, 25¢, 50¢, $1.00, and $5.00.

Others were good for one cigar, one drink at the bar, one feed for a team at the livery stable, one meal at the restaurant, etc. The writer has one in his collection, found in the famous old mining town of Grass Valley, California, that reads, "Good for one tune on the banjo" at Si Rowe's Place.

Houses of ill repute issued them also, Fannie Porter's of Fort Worth and The Cliff House of Rossland, British Columbia, to name a couple. These tokens were stamped on the reverse side, "Good For One."

The sutler group, military, Indian trader and post exchange types were issued or sold to soldiers and other personnel by the sutler or post exchange and were used by that body to purchase drinks and other extras not on their regular issue. The writer has in his collection tokens from Whipple Barracks, Arizona, Fort Grant, 21st Infantry, 4th Cavalry counter-marked "7," Fort Laramie and others. The denomination is on the reverse side.

Some of the sutler tokens read, "Good for $1.00 in Trade Goods" and have the name of the sutler embossed on the reverse, as "Lowry, Beall & Co."

Another group which played an important part in the Northwest and Canada were the "Beaver" tokens used by the Hudson's Bay Company. These were issued to trappers. The value of these tokens was based on beaver skins and were in denominations of 1 "Made Beaver," ½, ¼, and ⅛.

When the tokens were made in England for the company, the die maker assumed that MB was intended for NB, and that's the way they were struck. The genuine can be easily identified by the NB on the reverse and the Company Coat of Arms on the obverse. The trademark is a fox between two deer.

Other firms using similar tokens were the North West Company, Lampson & Hubbard, and I. G. Baker, the latter having headquarters in Fort Benton, Montana. These firms were absorbed by the far-flung Hudson's Bay Company and after the turn of the century these tokens were rarely used.

Early-day railroads used a "Cord Wood" token for fuel for their wood-burning locomotives. These had the initials of the railroad followed by the denomination, 1 cord, ½ cord, ¼ cord, etc. and were given to the wood contractor or wood cutters and later redeemed by the railroad for wood received.

The importance of transportation tokens can't be minimized. The early street railways, horse- and mule-drawn cars used tokens, usually of vulcanite or hard rubber composition. They depicted horses or mules pulling a streetcar with the company's name or initials on the obverse, the reverse side showing the value, one fare, one-half fare, one trip, etc. These were followed the latter half of the last century by tokens of metal content (nickel, silver, and German silver being widely used). Bronze, aluminum, zinc and copper followed this composition and are used to the present time.

Toll roads, bridges, ferries and omnibuses (the latter a predecessor to streetcars) also used tokens. Toll hridges and ferries of today use this medium of exchange.

"Depotels" (Hotel to Depot) or "Drummers Checks" were widely used in towns that had no streetcars. In some cases they were issued by the hotel itself if it ran its own "hack line"; in other towns the livery stable had this business. Baggage firms, drayage firms and private individuals used tokens. At first this form of transportation was horse drawn hacks or express wagons; later it was followed by the motorized "jitneys" or buses. The commercial men or salesmen of that bygone era, popularly known as "drummers" always had their heavy sample cases and other baggage, and "hacks" were the answer to their problem of getting from place to place.

Many other businesses used some form of tokens, such as dairies, orchards, poultry stores, berry growers, newsstands and shine parlors.

SOME of these old tokens pictured here are from widely known places. The White Elephant Saloon in Fort Worth was the place where its proprietor, Luke Short, shot and killed "Long Haired" Jim Courtright, who was trying to work an early version of the protection racket. Short, a former resident of such hurrah-towns as Dodge City, Leadville and Tombstone, in that order, took a dim view of this form of extortion and neatly drilled Courtright between the eyes.

TEXAS

The other famous Texas token was issued by the Palace Saloon of Austin, a favorite gathering place for such famous gunmen as King Fisher, Ben Thompson, and John Wesley Hardin. The proprietor, Jules Bornefeld, had his famous race horse, "Parole" depicted on the tokens issued by the Palace.

The founder of the widely known saloon in the heart of Portland's skid row, August Erickson, issued aluminum tokens when he opened the Portland and Astoria, Oregon, locations. The Portland place supposedly had the longest bar in the West, more than 600 feet in length. It, as well as its counterpart in Seattle, "Our House," was a hangout for loggers and seamen and had a very colorful background. The Portland place is still in operation.

Any token from the Eagle Saloon in Nevada City, California, is a rare one. This saloon was operated in the early days of the Gold Rush and was located

EAGLE SALOON
NEVADA CITY

a short distance from the gambling house where Elenore Dumont, known later as "Madame Mustache," made her debut in the middle 1850s. Madame Mustache was a French woman and, after a couple of years in Nevada City, roamed over the entire West—Eureka and Pioche in Nevada, Silver City and Boise in Idaho, Bannack and Fort Benton in Montana. She followed the construction camps in Wyoming when the Union Pacific railroad was being built, made the Black Hills gold boom at Deadwood, went to Tombstone, and finished up back in California, at Bodie, the wildest camp of them all. She committed suicide there in September, 1879.

The Teller House of Central City, Colorado, also represented in this group of old tokens, was at the time of its opening, in 1872, finer and more elaborate than anything Denver afforded. When President Grant made his western tour in 1873, a sidewalk of solid silver bars was laid from his stagecoach to the hotel for him to walk on.

The Occidental Hotel, of Buffalo, Wyoming, is a rather historical building. It was in front of this place that "the Virginian," the hero of Owen Wister's popular novel of that time, shot it out with Trampas.

Tokens from the old ghost town of Tin Cup, Colorado, are very rare. Tin Cup was incorporated in 1882, and at that time had two smelters in operation and a population of 1,200 persons. It got its name from one of the prospectors, Fred Lottes, who used a tin cup to pan his gravel. The town was notorious in its heyday for the high mortality rate among its peace officers.

SIM LaPLANT & CO

My favorite token is the one from the ghost town of Wonder, Nevada. Perhaps it is due to the circumstances under which I acquired it. My guide and companion for the day, an eighty-one-year-oldster born in the rip-roaring town of Pioche, had driven over that morning to explore and look around. I am a ghost town buff, have been since I was a small boy in Colorado, and my companion had worked in the camp during its height. He had gone there in 1908, shortly after it opened, and could give first hand information on the operation.

While poking around in the rubble of some of the old buildings, I found a woman's high button shoe, twisted and curled by the elements, and a sun-purpled bottle embossed with the words, "Bliss Liver & Kidney Cure, Stockton, California." We were walking down what had formerly been the main street when I kicked up what appeared to be a metal disc. After some of the dirt was rubbed off, I recognized what was a bit token. This type was seldom used east of Kansas or Texas. It was embossed on the obverse, "The Overland, Wonder, Nevada" and on the reverse read, "Good for 12½¢ in trade."

THE
OVERLAND
WONDER,
NEV.

This started the old man to "harking back" and we took advantage of the sparse shade of one of the half-dead locust trees that lined the former main thoroughfare. My companion started telling of that long ago era when the camp, as he put it, "was a going Jessie." He told me he remembered The Overland very well indeed, that at first it was a walled-up tent with a board floor, and was owned and operated by a large, red-haired woman said to be from Nome, Alaska.

She was soon joined in this enterprise by a one-legged, hard-bitten character remembered only as Nogales, because he hailed from the town in Arizona by that name. Nogales used a Winchester for a crutch and had a quieting influence on the customers of the place. The old man said many an "exciting discussion" and fight in the making withered on the vine when the clump-clump of Nogales and his crutch could be heard approaching. Things rocked along in this cozy manner for a year or so until one day the woman from Nome caught Nogales making love to an occupant of "Madge's Place," and worked him over with his own crutch. When last seen, Nogales had hitched a ride on a Mormon peddler's watermelon wagon and was going in the direction of Fallon.

As for the woman from Nome, the old man said that after a succession of paramours, each one more worthless than his predecessor, she drifted to the wide open lead and silver mining town of Eureka and then to oblivion.

As we sat under the locust tree, that sun-drenched day of long ago, the old man's voice droned steadily on. It had a "gone" sound like the wind in pine trees, restful but somehow sad, telling of people and happenings when the camp was young. He told of high-grading rich ore from the Nevada Wonder mine, and then getting cold feet and dumping it down an outdoor "Chic Sale"; of one Hallowe'en when pranksters took an ore wagon apart and reassembled it on top of the camp's one-room schoolhouse; of two occupants from one of the houses of ill fame fighting a duel with half the camp cheering them on; of small boys teasing the Chinese gardeners; of the six- and eight-horse ore teams pulling the heavily loaded wagons; of the teamsters; of the Thomas Flyers and White Mountain Wagons which provided the transportation. I always planned to go back and see this old-timer, but never did and he is long since dead.

WHEN I look at the old tokens they bring to mind a portion of a poem I found in the old "Tie Hack" town of Encampment, Wyoming, in 1942.

"Her picks are rust,
Her bones are dust,
'Tis forty years
Since she went bust."

There is no established market in tokens as yet. Mostly collectors buy and trade with other collectors. Dealers have them but usually they are thrown in their "junk" boxes with odds and ends.

Two apparently very similar tokens will bring far different prices based on background and historical value. For example we will use two tokens of the bit denomination. One will read "Covey's Bar, Afton, Wyoming, good for 12½¢ in trade;" the other will read "The Buckhorn Saloon, San Antonio, Texas, good for 12½¢ in trade." They are of the same composition, are the same diameter, in about the same condition, and both saloons were in business at the same time. However, the Buckhorn Saloon token will bring four or five times more than the Wyoming one due to the widespread publicity the Buckhorn got.

Scarcity is another factor contributing to a token's price. One used currently in Ellensburg, Washington, wouldn't be worth as much as one from an Astoria, Oregon, concern that has been gone for seventy-five years. There are only four or five tokens mentioned in this article with an accepted going price on today's market. D. M. Crowley, good for one drink at the bar, Lewiston, Montana; Reverse, racing stallion "Zodiac" is valued at $4.00. White Elephant Saloon, Fort Worth, Texas is valued at $12.50. Jules Bornefield, Palace Saloon, Austin, Texas; Reverse, race horse "Parole," is valued at $10.00. The Hudson's Bay Token "Made Beaver" is valued from $10.00 to $16.00. All of these are scarce. Run of the mill ones showing town, state, and firm are worth from twenty cents to one dollar depending on age, location and demand.

Military tokens, old transportation tokens, depotels from famous places are worth whatever a collector will pay. Eventually, prices will become stabilized and uniform. This hobby is more or less in its infancy, but it is growing. There are over 1,000 members in the Token and Medal Society at present and most of us are busy doing research and digging out background information on particular towns, firms and areas. They had a monetary system all their own, and it's a fascinating aspect of Western Americana.

THE HUGO F. BILZ BAR,
A POPULAR AND UNUSUALLY ORNATE NEBRASKA TRADE TOKEN

BY: PETER M. FUHRMAN

OBVERSE: HUGO F. BILZ / (OPPOSING LIONS WITH EAGLE ABOVE SHIELD) BAR (IN CENTER OF SHIELD) / OMAHA (ON BANNER) / 14. & DOUGLAS ST.

REVERSE: GOOD FOR / 2 1/2 / CTS. / IN TRADE

THE HUGO F. BILZ TOKEN, (OMAHA, NEBRASKA NE-OM-3), SHOULD BE DELETED FROM RUSSELL RULAU'S "UNITED STATES TRADE TOKENS 1866 - 1889", SECOND EDITION.

MY RESEARCH OF THE OMAHA CITY DIRECTORIES (LISTED BELOW) SHOW THAT THE BILZ BAR PIECE MUST HAVE BEEN ISSUED IN 1911, THE ONLY YEAR THAT BILZ OWNED TWO BARS WHICH MATCH BOTH OF THE STREETS INDICATED ON THE TOKEN. THE DIRECTORIES REVEALED THE FOLLOWING INFORMATION:

1883 TO 1886: HUGO F. BILZ NOT FOUND.
1890 TO 1893: ASSOCIATED WITH J.F. BILZ OR BILZ BROTHERS.
1894 TO 1895: CONNECTED IN NOTIONS AND DRY GOODS.
1896: UNEMPLOYED (PROBABLY DUE TO THE 1896 DEPRESSION).
1897: BARTENDER, VIENNA HOTEL, 1013 - 1015 FARNAM STREET.
1898: BARTENDER, SCHLITZ HOTEL CAFE & ROOF GARDEN, 314 - 326 S. 16TH STREET.
1899 TO 1902: SALOON BUSINESS AT 1415 FARNAM STREET.
1903: UNEMPLOYED.
1904 TO 1910: OPERATED A SALOON AT 1324 DOUGLAS STREET.
1911: OWNED SALOON BUSINESSES AT 1324 DOUGLAS STREET AND ALSO AT 119 S. 14TH STREET.
1912 TO 1916: RETURNED TO OPERATING JUST ONE SALOON BUSINESS AGAIN AT 1324 DOUGLAS STREET.
1917: MANAGER OF THE HIPP THEATRE (EDWARD AWE & CO. TOOK OVER THE DOUGLAS STREET SALOON).
1918: OPENED A SOFT DRINK ESTABLISHMENT (PROHIBITION PREVENTED THE SALE OF LIQUOR).
1919: DIRECTORY NOT AVAILABLE.
1920: MOVED TO LOS ANGELES, CALIFORNIA.

THE ABOVE INFORMATION CLEARLY SHOWS THAT THE BILZ PIECE SHOULD DEFINITELY NOT BE INCLUDED IN THE LISTING OF "UNITED STATES TRADE TOKENS 1866 - 1899".

SPURIOUS OR ILLEGITIMATE TOKEN ALERT

By Bill Williams, NSCA Catalog Committee Chairman

The appearance of spurious tokens on the market is a serious threat to our hobby and is a violation of the Federal Hobby Protection Act. Those who manufacture, distribute or sell spurious tokens are liable for criminal prosecution. Recently such tokens from several companies appeared in a Mail Bid sale. Other companies tokens also were sold on a personal basis by the same advertiser. All are being discussed below for your protection.

1. KY2047 C series 'DIXIE BLUE GEM/COAL CO./NEVISDALE,/KY.//Good For/10/In Merchandise'; 'Good For/25¢/In Trade'; and 'Good For/50/In Merchandise', The 10 and 50 reverses are the usual BiMetal token type. The 25¢ is not. The obverse die design of all pieces is exactly the same size and shape as the Authentic C50 on page 138 of Edkins, Vol I. The reverse of the Authentic pieces all read: '(Denomination)/In Trade/Only'. The book pieces measure 23, 26 and 29 mm respectively. The spurious pieces are 27, 30 and 33 mm. The 10 and 50 are brass, and the 25¢ is aluminum. All are round and solid.

There is some question about the 25¢ aluminum. However, in view of its size - 30 mm vs 26 mm, the absence of a ring of dots inside of an outer raised ring on the reverse, the die used for the obverse being exactly the same size as that used on the spurious 10 and 50, and the different wording on the reverse - 'Good For/25¢/In Trade' vs the authentic '25¢/In Trade/Only', we believe it is prudent to list it as spurious.

2. KY2912 'WILD CAT/COAL CO./VIVA, KY./WRIGHT CIN.O.///Good For/(denomination)/In Merchandise', except that the 200 reads 'Good For/$2^{\underline{00}}$/In/Merchandise'. Pieces are 5 Oc 18mm; 10 Oc 21mm; 25 Sq 23mm; $1^{\underline{00}}$ Oc 31mm; and the $2^{\underline{00}}$ Rd 30 mm. All are brass and solid. It appears that the exact same obverse die was used to stamp each of the denominations. The 5 and 10 reverses have the same design. The 25 and 100 have the same two ornaments '⇌'. The 200 reverse is of a completely different letter styling and design. All reverses have a ring of dots inside a raised outer rim. The obverse does not have dots or a raised outer ring. We, however, do have a foil that appears to be from an Authentic 50 piece. It was sent to us in May 1989 and reads'WILD CAT/COAL CO./VIVA, KY./WRIGHT & SON CIN.O.///Good For/50/In/Merchandise'. Oc Br 30 mm Sd. It has one ornament '—•—' on the reverse and two '∽' on the obverse. Thesize and design of the obverse and reverse is completely different from that of the spurious pieces. We will be glad to compare any pieces you might have if you will send us a foil, good rub or clear photocopy of each side of your pieces.

3. KY983 'MARYMOORE/MINES/INC./EXCELSIOR/KY.///Good For/20/In/Merchandise', Rd Br 23mm Sd. The obverse die design is exactly the same as the obverse of the Authentic 5, except that all of the book pieces are octagonal. There is not any record of 20 token having been used in coal industry. A 20 token from J. R. Gibson, a Virginia merchant, was listed in the same auction as the Marymoore 20. Upon comparing the two 20 tokens, it was discovered that the same reverse die was used on both tokens. This combined with the above information leads

us to conclude that both tokens are spurious. Two other Marymoore pieces also have appeared. They are a 5 and a 25 Br Oc Sd 21mm and 27 mm. The obverse apparently was struck with the same die as used for the 20. The reverse, however, reads 'Miners Orders/(denomination)/For/Merchandise'. A review of Kentucky companies listed in Edkins found only one company with the same reverse. That was KY1163 A series Lynn Camp Coal Co, which we believe to be a Wright die. In any event, we have concluded that this 5 and 25 of Marymoore also are spurious.

4. Two sets of apparent spurious Virginia merchant tokens appeared in the same Ad: J.R. Gibson & Sons, Jonesville and Pennington Gap, Va. Good For (denomination) In Merchandise Only. They were 10, 20, 50, and 100, all brass and round. The other was Perry, Pippen & Co., Castlewood, Va. Good For (denomination) In Merchandise. They were 5 Br, 5, 10, & 50 aluminum, all round and solid. No further information is available. This is furnished for those NSCA members who collect Virginia merchants.

While we cannot state for certain that the above pieces are spurious, the available information is strong enough to reach that conclusion. We believe that some person or persons has a number of original dies and is using them to create spurious tokens. The person who ran Mail Bid ad has recalled the above pieces and is making refunds to those who have returned them. We do not believe that the advertiser knew that the tokens were spurious. The Catalog Committee would appreciate any additional information you might have, including the name of the creator of these tokens.

It is unlikely that we can prevent these spurious tokens from getting on the token market. We, however, would like to see some effort made by token collecting organizations to make it mandatory for collectors or dealers who come into contact with publicized spurious tokens to mark them with a permanent marking that would identify them to collectors. We might suggest the word'CTFT'. Every effort must be made to protect our hobby.

NOW I'M REALLY MAD!

THIS DOES IT!!! SOMEONE IS REALLY GOING TO PAY!!

HERE I GO TO BE FRIENDLY AND LET SOME OF YOU IN ON A GOOD DEAL, ALONG WITH GIVING YOU GOOD INFORMATION ON THE SALOON MARKET AND YOU TELL EVERYONE ABOUT IT.

You guys would have made some money on my garbage contract but now you are liable to be the takers of some of it. I just got an order to haul 10 tons of sun flower shells. That's right, shells. The seeds have already been taken out. I decided to draw names from my hat to see who gets them dumped in their front yard. I wrote the four following names for the drawing: Merlin Bondhus, Jere Runciman, Chuck Littlefield and Norm Johnson.

I'll teach you guys to cross me up.

Lovingly,

BINKY

6. MASONIC PENNY Kingman, Kansas Chapter #71

I collect Kansas towns. I would be interested in trades for towns I can use, or pre-1900 dogtags from anywhere. A mediocre trade will take precedence over a high cash offer.

If you send me a stamp I'll attribute your foreign tokens for free.

Best of collecting to you.

ATCO ★ LEWIS L. EGNEW - P.O. Box 123 - Port Townsend, WA. 98368 ★ SALE

Western Wash. has had a tough winter - Flooding - record Arctic winds, (80-100 MPH-) Thousands of big trees down - roofs off - power out for days & weeks during our snow & minus 8° freeze up - then thaw, causing more flooding. Even Mt. St. Helens erupted! So, if I owe anyone a letter, now you know why. Thanks to all for cards & letters over the Holidays - they cheered me up. (Like the Binky letters in the last ATCO.)

(P.S.) No thanks to the AZ collector who writes such "malodorous" stuff about other collectors. This "sickie" must live in a dumpster. Wonder if Binky will take a contract and do a Jimmie Hoffa job - it would help the hobby. Tell me your rates Binky, - I'll tell you where the dumpster is. It's right on your route.

(NOTE) - The following collection of Spokane tokens, (Eastern Washington) is the best ever offered for sale. It is being offered INTACT. No complete listing is possible - but the purchaser is guaranteed satisfaction or money back. A quickie breakdown of contents is below. [While no "Spokane, W.T." are known, this collection has many tokens of the Territorial period - by directory listing.] The early directories are also available to the buyer of the coll.

** Collection contents - SPOKANE **

(212) - tokens; (TERR.) or Early special ones - Bruns. Balke, - Bruns. Balke-Collender -, INCUSE, pictorial, One Dollar cardboard, All metals & denoms from 1¢ to $7.50, even one $25.00 denom.! There are (4) unlisted transportation pieces. etc. etc.

(127) - "Saloon" & "Bar" tokens; [27 with "SALOON" on the token] Note: the term "Bar" is earlier & interchangeable with saloon in Washington state. In the general collection next below, are hundreds more with NAMES - listed as saloons in the directories.

(524) - tokens; A to Z issuers of every category. The total Spokane collection comprises 863 tokens. I have well over $4500.00 invested in this collection - not to mention tough trades - ha!

In addition to Spokane Coll. above, is a collection from the town of Hillyard, Wash. comprising (48) tokens. Hillyard is very difficult to collect. Town now absorbed by Spokane. This coll. is available only to purchaser of the Spokane collection. My cost figures for the Hillyard (48) tokens is $400.00 plus. I am not seeking profit, only to place my tokens where they will be most appreciated. I would accept first certified check $4500.00 for both collections offered. Write me if interested, or if you collect any major town of Washington as a special interest.

DANIEL D. ANDERSON   ATCO SALE-4   IOWA TOKENS WANTED
PO BOX 2752   BUY/SELL/TRADE
IOWA CITY,IA 52244   PHONE:319-337-6001

Lewis Ferguson has turned over the job of cataloging Iowa trade tokens to me. Your help will be appreciated. I am also cataloging Iowa food stamp tokens and Iowa cardboard tokens. Please send rubbing or xerox of any new finds along with an accurate description as to size, shape, and metal. For mavericks, please give a reference for your attribution and any other information you may have. I would like your opinion as to the rarity.

The 1990 Iowa supplement is available for $5.00 postpaid(Iowa residents add 4% sales tax). Past years also available. Send SASE.

I am interested in buying all types of Iowa trade tokens including rectangular cardboard tokens and food stamp tokens(metal,plastic,paper). I have plenty of trading material and tokens for sale. Send a large SASE for the following lists:Iowa trade tokens,Illinois trade tokens,WVA coal scrip,soap tokens,and TAMS supplements.Also have OPA tokens,foreign currency,invasion currency,military payment currency(see free ad),food stamp tokens and much more. I even have a rare 5th edition REDBOOK to trade for better Iowa material. (Serious trades only.) I am interested in obtaining Iowa reference material such as Dun and Bradstreets and Gazetteers. I have plenty of Iowa D&B's to trade for years that I need.

Well, I guess it time for the mail bid. Usual rules except Iowa residents must add 4% sales tax for Gov. Terry Branstad. Trades preferred.

ANOTHER BIG ISSUE WHICH SHOWS THAT THE COLLECTORS ARE STILL FINDING TOKENS THEY CAN USE.

OVER THE PAST TWO MONTHS I'VE BEEN DOING A LITTLE ADVERTISING AND I'VE FOUND THAT TOKENS ARE STILL OUT THERE. I'VE PICKED UP SOME RARE ONES. I ALSO RAN INTO PEOPLE WHO HAVE THEM BUT WANT TO KEEP THEM AS KEEP SAKES. IN OTHER WORDS, THE TOKENS ARE STILL OUT THERE BUT IT TAKES A LITTLE LEG WORK TO FIND THEM.

I TAKE A LITTLE PLASTIC CASE THAT WILL HOLD ABOUT 8 TO 10 TOKENS. I PUT A SMALL PIECE OF BLACK VELVET IN THE CASE TO LAY THE TOKENS ON - OBVERSE AND REVERSE. THEY MAKE A NICE LITTLE DISPLAY THAT YOU CAN CARRY IN YOUR POCKET. I FOUND ONE THING; IF YOU ASK FOR TRADE TOKENS MANY PEOPLE DON'T KNOW WHAT YOU ARE TALKING ABOUT AS THEY WERE CALLED TRADE TOKENS, CHIPS, CREAM AND EGG MONEY, ETC., BUT IF YOU SHOW THEM THE LITTLE DISPLAY OF TOKENS THEY RECOGNIZE THEM. I'VE HAD MANY PEOPLE SAY, "OH, THOSE. YES I HAVE A COUPLE OF THOSE." GIVE IT A TRY AND I'LL BET YOU FIND TOKENS!!!!

YOUR EDITOR - - HAPPY HUNTING!!!!

ATCO 1991

Holiday Inn International Airport -- Bloomington Minnesota

Plans are well underway for the 1991 ATCO Convention, the first ATCO to be held in the Twin Cities metro area which is one of the hotbeds of numismatics in the country. The show will be similar in outline to the last several shows but will also have some added touches to help you enjoy the show and the Minneapolis-St. Paul area. The basic facts you need to know:

1991 ATCO Show, August 31 & September 1, Holiday Inn International, One Appletree Square, (I-494 & 34th Ave. S.), Bloomington MN. Public hours Saturday 9 AM - 6 PM, Sunday 9 AM - 2 PM (tentative)..

Hotel -- The hotel is located right next to the airport and runs shuttle buses all day & night at no cost. Room rates are not yet definite but will be within a couple of dollars either way of the rate at Omaha. Please do not call the hotel for reservations until the rates have been finalized & announced in ATCO or you will not get the lowest rate! The hotel is large & has full services -- pool, gym, lounge, cafe, dining room, parking, etc.

Tables -- Bourse contracts will be sent out within the month and will have a deadline date to retain your table space. Both 6' & 8' tables will be offered but the exact mix & setup has not been finalized. We will try to keep table locations similar to past years but please realize that this is a new hotel with a different size room. Table rates will probably show a minor increase due to postage & advertising increases. Allstate coin cases will be available for rent. Due to demand, one table per person/dealer (except for multi-table returnees). Please write to be put on the waiting list.

AN IMPORTANT FIND FOR THE SERIOUS COLLECTOR

An early 20th century Arizona medal of museum quality issued by a defunct mine at the now ghosttown of Constellation, Arizona. This dramatically designed medal struck in silver contains a facinating historical backround about the mine's proprietor. A great piece of western Americana!

Medal is octagonal, grades E.F. condition and measures 40mm in diameter. A rare unlisted medal from an unlisted town. Fixed price is $3000.00 but prefer trade for better Arizona tokens and scrip. Only serious written inquires by principals with trade offers will be provided more information and photographs.

ERROR MEDALS FOR SALE

The Chaplin's office at Fort Carson, Colorado had a number of commemorative medals made up for an all Chaplins conference in July 1989. These were to be distributed to the Army Chaplins through out the entire US Army. The first batch came back with Fort Carson spelled wrong (Fort Calson). See example. Most of these errors were destroyed, but a limited number of these medals (less than 100) are now available.

The medals are 4 1/2 mm in diameter, 1/2 mm thick, weigh about 3 oz., and were cast of a tin/lead alloy.

Cost: $3.00 per medal, pp.

P.S. I saw Binkey the other day, he was driving a 1954 Chevy truck loaded with chickens. He was on the top of Wolf Creek Pass headed for downtown Pagosa Springs. I think Binkey's trading chickens for those tokens that say good for one drink or cigar.

WELCOME to another fun-filled sale!? Hope everyone is feeling well, some nasty illnesses floating around out there, missed Long Beach myself due to one (although I'm sure that made a number of people happy). Usual ATCO rules except I reserve the right to refuse any bid, trades have preference and high bids will not be revealed. The last sale exceeded my expectations thanks to the interest in Minn. Tokens, had bought them in a 70 lbs. bag of game tokens... Just goes to show gold is where you find it. Hopefully by the time you all get this, many of our troops will be home and I just want to say THANKS! Maybe now we'll have a more enduring peace in the region so more will not have to perish...

ACTIVE TOKEN COLLECTORS ORGANIZATION

P.O. BOX 1573, SIOUX FALLS, SD 57101

A NOTE FROM YOUR EDITOR:

SINCE I WROTE THE ARTICLE ON HOW I HUNT TOKENS I'VE GOTTEN LETTERS FROM A NUMBER OF OUR MEMBERS WHO USE THE SAME OR A LIKE SYSTEM AND ALL REPORT GOOD RESULTS. SOME JUST CARRY A FEW COMMON ONES IN THEIR POCKET TO SHOW PEOPLE.

JIM HARTMAN SENT ME RUBBINGS OF SOME BEAUTIFUL TOKENS HE JUST GOT WITH HIS HUNTING METHOD, INCLUDING A SALOON TOKEN - - THE FIRST HE HAS FOUND IN SOME FIVE YEARS.

LAST WEEK AND THIS WEEK I'VE BEEN OUT HUNTING AND ONLY SPENT ABOUT A TOTAL OF THREE HOURS. THE RESULT WAS GREAT. I FOUND A NUMBER OF RARE TOKENS.

THERE SHOULD BE NO SECRET ON HOW TO FIND THESE. YOU JUST HAVE TO GET OUT, AND INTO SMALL TOWNS, AND ASK PEOPLE. THE TOKENS ARE THERE BUT MOST DON'T EVEN KNOW THAT PEOPLE COLLECT SUCH THINGS SO THEY JUST LAY IN A BOX TO BE EVENTUALLY THROWN OUT.

WHEN I GO INTO A SMALL TOWN I LOOK FOR A HOUSE THAT HAS A LOT OF JUNK AROUND. THESE PEOPLE GENERALLY ALWAYS HAVE A TOKEN OR TWO.

TRY IT, IT WORKS!!!

LETTERS TO THE EDITOR:

Dear ATCO: Although I am not a member of ATCO, this letter is to express my appreciation to the head of your Ethics Committee, Mr. Travis Roberts and your Editor, Bill Clapper, for their help in resolving a problem involving one of your ATCO members. Not much attention is given to ethics these days, but I wish to commend these two and ATCO in its attempt to set a high standard of ethics in your organization.
Sincerely, LEO J. WARREN

Dear Bill: As you probably know all the oranges were lost this year due to freeze. They look O.K. but no juice. Binky comes through about once a month and hauls them (a load) east - says those people don't know the difference. Once in awhile he picks up a special load of rotten ones that are on the ground. Next week he gets one of these specials to haul to some guy named T. Robber (or something like that) in Texas. Says he swindled him out of a couple of Texas saloons.
Regards, JERE RUNCIMAN

WELCOME back to a smaller less diverse group of stuff...still some neat items to be found. I think that things will be slow from here for a bit, as far as GF's are concerned. I'll keep looking though. Anyway thanks to all bidders and traders for keeping it interesting. My correspondence is somewhat lacking as I am just backed up with other work, sorry... So to business now: Usual ATCO rules except trades have preference, no high bids will be revealed and Ireserve the right to refuse any bid. Good luck & Good Hunting

NOTES FROM YOUR EDITOR:

WE WENT TO THE PRINTERS EARLY THIS MONTH DUE TO THE DEADLINE DATE BEING ON A WEEK END. NO DOUBT THERE WILL BE SOME LATE ADS COMING IN THAT WILL GO UP FRONT IN THE NEXT ISSUE.

TOO, YOU WILL NOTE FROM THE SIZE OF THE ISSUE THAT SUMMER IS COMING ON QUICKLY. I CAN ALWAYS TELL WHEN THE WEATHER GETS GOOD AND THOSE WHO USUALLY RUN ADS TURN TO HUNTING TOKENS.

WE HAVE HAD A NUMBER OF LETTERS ASKING ABOUT THE SHOW AND WHEN MORE INFORMATION WOULD BE AVAILABLE. AS SOON AS DICK GRINOLDS GETS THAT INFORMATION TO ME I'LL PRINT IT.

AND, WE GOT A LETTER ASKING HOW OUR MEMBERSHIP IS HOLDING OUT. I'LL ANSWER BY SAYING THAT WHEN A MEMBER DROPS FROM MEMBERSHIP WE GET A NEW MEMBER. THIS HAS BEEN GOING ON SINCE WE STARTED PUBLICATION ALMOST TEN YEARS AGO. OUR MEMBERSHIP HOLDS AT BETWEEN 575 & 600. THE INTEREST IN TOKENS IS STRONG AND NEW PEOPLE ARE GETTING INVOLVED ALL THE TIME. I FORESEE A GOOD AND HEALTHY FUTURE FOR TOKENS.

THAT'S ALL - HAPPY COLLECTING!!!

LAST CALL FOR INFORMATION

In the late 1800's, there was a billiard table manufacturer in San Francisco by the name of JACOB STRAHLE, and it was later succeeded by THE ESTATE OF ST. GERMAIN and the ST. GERMAIN BILLIARD CO. Each of these firms had tokens struck for the use of their customers in the western part of the United States, Canada and Mexico.

I am in the final steps of preparing a list of the known tokens issued by these three firms and I seek any information you might give me concerning such tokens in your collections. It is hoped the listing will be as complete as possible.

The tokens listed in the books on Arizona, Nevada and California tokens are already included in the list.- - - IF YOU KNOW OF ANY OTHERS, please send me rubbings or a description which includes the size, metal, denomination, shape and the issuer's name and location (if known).

Thank you for the help,

ACTUAL SELLING PRICES FOR RARE COINS
ARE YOURS IN 1991 AUCTION PRICES REALIZED, U.S. COINS

(Iola, WI) -- What's the difference between a coin that one person values at $1,500.00 and another person values at $1,200.00?

In many cases the answer is, simply, the asking price. But which one is the most accurate?

If you find yourself in a quandary like this, a surefire way to determine a realistic selling price is to consult the newest edition of AUCTION PRICES REALIZED, U.S. COINS (from Krause Publications, 700 E. State St., Iola, WI 54990, $60.00 plus $2.50 shipping, U.S.).

Why? Because 1991 AUCTION PRICES REALIZED, U.S. COINS presents solid values -- actual prices that were realized at auction throughout 1990.

the first comprehensive listing of

NEVADA TRADE TOKENS

This new book is a guide to Nevada's trade tokens, describing each token in detail. Trade tokens were a form of money used by many merchants in Nevada during the period 1870-1940 (primarily 1905-1910 when cash was in short supply during the mining booms in Nevada). A seperate section lists the modern tokens. In many cases, trade tokens represent the only remaining permanent relic of the many Nevada ghost towns.

I'm still looking for those odd pieces you have in the back of your double-row boxes - either on consignment for my auctions or to buy outright. Ask about my consignment rates.

I also keep a large stock of books on world tokens. Ask for a free list.

If you send me a stamp I'll attribute your foreign tokens for free.

Best of collecting to you.

GOOD HUNTING

JULIUS FAZEKAS III, RR 1 BOX 660, RICHMOND, MAINE 04357 (207)737-8701

WELCOME back to a smaller less diverse group of stuff...still some neat items to be found. I am looking for a PAN-AMERICAN EXPO AWARD MEDAL in silver (I am interested in other metals but want it in silver specifically). Thanks to all bidders, as usual. Trades for New England tokens still of interest, especially Maine, N.H. & Vt.. So to business now: Usual ATCO rules except trades have preference, no high bids will be revealed and I reserve the right to refuse any bid. Good luck & Good Hunting!!

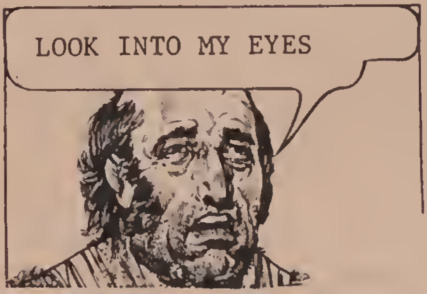
THIS ISSUE IS BIG FOR A SUMMER ISSUE AND YOU WILL NOTE THAT THERE ARE SOME NEW ADVERTISERS.

WE WILL BE GETTING A REGULAR INFORMATION SECTION ABOUT THE SHOW RIGHT UP UNTIL THE SHOW.

ENOUGH IS ENOUGH!!!



WE HAVE NOT HEARD FROM BINKY IN SOME TIME. JUST GOT A SAD LETTER FROM HIM. SEEMS THAT THE WORD SPREAD ABOUT HIS ATTEMPT TO SWAP FOR SALOON TOKENS AND THE FALLING MARKET IN THEM (WHICH RUMOR HE STARTED).

HE SAID THAT HE WAS TRYING TO STRAIGHTEN OUT HIS ACT BUT SOMEONE PAINTED HIS TRUCK YELLOW AND PUT A BIG SIGN ON IT THAT STATED THAT HE WAS TRADING TERRITORIAL TOKENS FOR SALOON TOKENS AND HE WAS ALMOST SWAMPED WHEN HE ROLLED INTO CALIFORNIA.

He said, "PLEASE LOOK INTO MY EYES. DO THESE LOOK LIKE THE EYES THAT WOULD CHEAT ANYONE?"

SO, GUYS TAKE IT EASY ON BINKY FOR AWHILE - O.K.???

NATIONAL TOKEN & MEDAL SHOW

August 31 - September 1, 1991

Holiday Inn International Airport
I494 & 34th Avenue S., Bloomington, Minnesota

ATCO goes major league in 1991! The 1991 ATCO Show moves to the hottest metropolitan area in the country, joining the recently completed U.S. Open golf tournament, the U.S. Olympic Festival, the National Figure Skating Championships, the Stanley Cup Finals, plus the upcoming International Special Olympics, a probable World Series, the 1992 Super Bowl, the 1992 Central States Numismatic Society Show, and the 1992 NCAA Final Four Basketball Tournament. Good things are always happening in this part of the country so we extend an invitation to you to come and join in the fun.

SHOW HOURS:

Friday, August 30	--	Dealer set-up from 5:00 to 9:00 PM
Saturday, August 31	--	Dealer set-up from 7:00 to 9:00 AM Open to public 9:00AM to 6:00 PM
Sunday, September 1	--	Dealer set-up from 8:00 to 9:00 AM Open to public 9:00 AM to 1:30 PM

HOTEL ROOMS: The Holiday Inn is holding a block of rooms for ATCO members at the convention rate of $45.00 per night, single or double. This is the lowest rate available and is much lower that the other hotels in the immediate area. Rollaways are available at a nominal cost; suites are also available at an attractive rate--inquire when you call. Reserve your rooms by calling **(612)-854-9000** and asking for the ATCO room rate.

AUCTION: Charles E. Kirtley will be holding the annual ATCO auction this year at 8:00 PM on Saturday, August 31 in the Beacon-Duchess Room near the bourse room. I have reviewed some of the material in recent conversations with Chuck and I can tell you this will be an outstanding sale. Please write Chuck directly for a catalog through his ad in ATCO.

WHO'S COMING?: Who's not would be easier to answer! The bourse contracts are coming in hot and heavy. If you have not renewed your table as yet, do it right now as there are dealers on the waiting list and local interest is high. If you have not had a table in the past and are interested in one this year, contact me right away -- the bourse room is a bit larger this year so we can accomodate a few extra tables. Dealers already signed up for the show include: W.W. Gator-FL, Everitt Bowles-GA, Bob Williams-MI, Clem Zambon-SD, Paul Cunningham-MI, Pat Sullivan-SD, D. Frank Elam-IL, Dean Petersen-IA, Bob Cardiff-IL, Duane Feisel-CA, Bary Bender-WA, Randy Partin-FL, Bob Southwick-WA, Tony Chibbaro-SC, Cliff Brehen-WA, Doc Carberry-IA, Larry Oller-KS, Mel Reiter-MI, John Cheramy-BC, Rossa & Tanenbaum-NY, James Kattner-TX, Mike Patton-WA, Joe Earl Hunt-TX, Mike O'Hara-WA, Jerry Schaeper-KY, Chuck Kirtley-NC, plus many others.

atco '91

TRADING ROOM: The always popular trading room will be open on Friday from 10:00 AM until dealer set-up at 5:00 PM. There will be ample table space (and air conditioning!) for everyone to get that 1st (or 2nd or 3rd) shot at new material. For the real_early birds, I'm sure that there will be some activity in my suite on Thursday night--let me know when you plan to get in.

ADVERTISING: Several people seem upset that an ad for the show did not appear in the January issue of "The Dead Fish Funnel", the journal of the Toilet Token Collectors Society (although I did inform both members about the show personally). Listings of the show have appeared in every major show listing and all specialized dealer calenders since the start of the year. As an experienced show promoter, I have observed the past several ATCO shows and have noted that 75%+ of the attendance is local citizens. The motivated collector/dealer will attend the show if at all possible even if it is held in Bowbells, ND. It is the local collectors & dealers plus the collectors within a 1-4 hour radius that must be informed frequently about the show, especially on a holiday weekend. Token publications must be used for advertising but not necessarily constantly for a year. Remember, there may be a big difference between the ads that you see, and the ads that your potential customers and suppliers may see!

ANTIQUE STORES: Even I can't hit all the antique, coin & book stores in the area -- with 2.5 million people in the Twin Cities metro area, an awful lot of used merchandise is available. The state antique dealers association just published a new edition of antique dealers in Minnesota and Wisconsin covering over 1,400 shops & specialty stores. While not complete, it is the best guide to save you time by far. I'll send you a current copy for $2 postpaid if you are interested.

WHAT TO EXPECT: Just a few thoughts so you will not be surprised when you arrive. The hotel is virtually the same price as in Omaha but you will be pleased with the value for your dollar. It has the usual swimming pool, excercise room, and other amenities of any better airport business hotel. The general manager is a collector and is involved with local clubs so he knows how things should be. The hotel has both a coffee shop and a dining room -- food will be a little higher in cost but there will be ample service--guaranteed! The bar will be much higher than in Omaha and watch out for no smoking areas (it costs a lot of money to sin in Minnesota but it's usually worth it). There are numerous other restaurants of all types close by. One of the St. Paul ballet companies performs but a short distance from the hotel, though under quaint local circumstances. There is a frequent free hotel-airport shuttle & parking is free for hotel guests. Loading/unloading is on the same level as the bourse room although a cart will come in hand -- hotel porters are available.

NEXT MONTH: Complete driving and flying instructions (also included with the bourse receipt) -- write if you need an early copy. What to do in the area -- Twins are in town, State Fair is on, Minnesota Zoo is real close, Fort Snelling, nature trails, golf, shopping all close.

NEVADA TRADE TOKENS

This new book is a guide to Nevada's trade tokens, describing each token in detail. Trade tokens were a form of money used by many merchants in Nevada during the period 1870-1940 (primarily 1905-1910 when cash was in short supply during the mining booms in Nevada). A seperate section lists the modern tokens. In many cases, trade tokens represent the only remaining permanent relic of the many Nevada ghost towns.

FEATURING:

- Full color cover - 96 pages
- About 2000 listings from more than 100 different Nevada towns
- Population counts from more than 80 different collections
- Prices and rarity
- Section on Elko's famous Brothel tokens

To order, send $20.00 per copy (Post-Paid) to:

Wholesale orders of 5 copies or more are welcome at the usual discount.

LAST CALL FOR INFORMATION

In the late 1800's, there was a billiard table manufacturer in San Francisco by the name of JACOB STRAHLE, and it was later succeeded by THE ESTATE OF ST. GERMAIN and the ST. GERMAIN BILLIARD CO. Each of these firms had tokens struck for the use of their customers in the western part of the United States, Canada and Mexico.

I am in the final steps of preparing a list of the known tokens issued by these three firms and I seek any information you might give me concerning such tokens in your collections. It is hoped the listing will be as complete as possible.

The tokens listed in the books on Arizona, Nevada and California tokens are already included in the list.- - - IF YOU KNOW OF ANY OTHERS, please send me rubbings or a description which includes the size, metal, denomination, shape and the issuer's name and location (if known).

Thank you for the help,

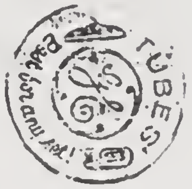
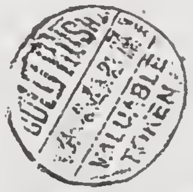
TILLIE ROMAN, 3411 CALVIN ST., RAPID CITY , SD 57701, ASKED THAT WE REPUBLISH A LITTLE ARTICLE THAT SHE HAD IN METCA IN 1978 WITH THE HOPE THAT SOMEONE MIGHT HAVE ADDITIONAL INFORMATION ABOUT THE TOKEN. IF ANYONE KNOW ANYTHING MORE ABOUT THIS TOKEN PLEASE CONTACT TILLIE.

BRASS 31.5MM ROUND PLAIN EDGE

OBV Tubes/GE (company logo used) /Best for any set!/ (speaker & tube to either side of logo)

REV Gold rush/ (incuse 5 digit no.) /valuable/token





METCA reader Tillie (Mrs. A.C.) Roman of Rapid City, South Dakota spent over 2 years researching her unusual token, one of very few picturing a radio tube & speaker!

G.E. in Denver confirmed the use of this token for a regional promotion. A former GE tube dealer recalled that a customer purchasing a tube recieved a token, and that a certain amount could be redeemed for a gift. This promotion expired unsucessfully, therefore Mrs. Roman believes few were produced. The 5 digit number may indicate otherwise or, as Mrs. Roman conjectures, the serial numbers may be a key to how many were recievied by each distributor. I do know the reverse is a stock die utilized by many concerns and the numbers were added according to the purchasers wishes. Perhaps GE gave away or sold the balance of tokens to a collector. I doubt if they were destroyed, however!

As for rarity, I can only mention that I do not remember seeing this token during my 11 years as an exonumist. I do not price tokens in this column but would mention that, like most tokens, demand alone would set price. Perhaps METCA readers can shed further light on the rarity and history of this piece, both Mrs. Roman & I would be most interested!

FOREIGN TOKENS!

I'm still looking for those odd pieces you have in the back of your double-row boxes - either on consignment for my auctions or to buy outright. Ask about my consignment rates.

I also keep a large stock of books on world tokens. Ask for a free list.

If you send me a stamp I'll attribute your foreign tokens for free.

Best of collecting to you.

ATCO

ACTIVE TOKEN COLLECTORS ORGANIZATION
P.O. BOX 1573, SIOUX FALLS, SD 57101

IT'S ALMOST SHOW TIME!!!!

FOR SOME THIS WILL BE LAST ISSUE BEFORE THE SHOW IN THAT WHEN WE MAIL THE SEPTEMBER ISSUE MANY WILL HAVE LEFT FOR THE SHOW BEFORE THEY GET THEIR ATCO. FOR THOSE - - - SEE YOU AT THE SHOW!!!

YOU WILL NOTE THAT OUR ISSUE IS A SMALL SUMMER ISSUE. WHEN OCTOBER HITS THE ISSUES WILL GROW AGAIN.

AND, WHILE I'M ON THE SUBJECT, WE GET CALLS FROM TIME TO TIME A DAY BEFORE WE GO THE PRINTERS SAYING THAT WE ARE SENDING TWO PAGES BY EXPRESS AIR.

I'LL GIVE YOU AN EXAMPLE OF WHAT HAPPENED SO EVERYONE CAN UNDERSTAND. IT TAKES TWO DAYS FOR THE PRINTER, SO THIS MONTH WE WENT TO THE PRINTERS ON THE 18TH. WE HAD EXACTLY 40 PAGES. UNLESS WE GOT ANOTHER TWO PAGES, BESIDES THE TWO THAT WOULD BE MAILED BY AIR EXPRESS WE COULD NOT USE THEM ANYWAY. THERE IS SOME CALCULATION AS TO A TIME TO CLOSE. WE DO NOT USUALLY GO BEFORE THE 19TH BUT IN THIS CASE IT WAS NECESSARY. TOO, BECAUSE OF A WORK LOAD I GOT CALLED BACK TO WORK. IT MAY ONLY LAST FOR 30 DAYS OR SO, BUT IN THE MEANTIME MY WORK LOAD IS HEAVY. ENOUGH OF THAT!!!

I JUST HOPE THAT OUR SHOW IS A BIG SUCCESS AND THAT EVERYONE BRINGS SOME GOOD STUFF TO TRADE AND SELL. TOO, THERE WILL BE SOME HEAVY TRADING AND DICK HAS SET UP A BIG TRADING ROOM.

SO, SEE YOU AT THE SHOW!!!

Your editor.

ATCO '91

NATIONAL TOKEN & MEDAL SHOW

August 31 - September 1, 1991

Holiday Inn International Airport
I494 & 34th Avenue S., Bloomington, Minnesota

ATCO '91

Everything is falling in place nicely for the best ATCO Show yet! There will be over an 80% return of dealers from last year along with many new faces, both ATCO members and area specialists. Put these dealers in a quality site, add a healthy dose of collectors of all types, and you come up with the kind of exonumia show you would want to attend.

HOTEL: The Holiday Inn is holding a block of rooms for ATCO members at the convention rate of $45.00 per night, single or double. Contrary to second-hand rumor, there are rooms available (at this writing) specifically being held for ATCO -- call the hotel at (612)-854-9000 & ask for the ATCO room rate -- don't wait until the last minute! The hotel runs a frequent free shuttle to and from the airport at all hours for hotel guests -- inquire at the front desk for times.

AUCTION: The Charles E. Kirtley auction will be held at 8 PM on Saturday in the Beacon Room. Many of you have already received the auction catalog -- if you want a copy, contact Chuck through his ad in this issue of ATCO -- lots will be available at the ANA for viewing.

NUMISMATIC NEWS: Continuing their commitment to all aspects of numismatics, Krause Publications will devote much of the September 3 issue of Numismatic News to tokens and medals in general with some particular emphasis on the ATCO Show. Clifford Mishler and possibly others will attend the show with their usual booth and samples. If you want to advertise in the special edition of NN, call Tom Hammel or Joel Edler at 715-445-2214 for display ad information -- mention ATCO or my name and get 10% off your all-token & medal display ad. Deadline is Aug 20.

WHO ELSE IS COMING? In addition to the all star cast mentioned in last month's ATCO, the following have also reserved tables: Jere Runciman-CA, Travis Roberts-TX, Bill Massey-GA, Roger Winklehake-NE, Bill Clapper-SD, Levi Schleuning-KS, George Hosek-NE, Gaylor Lipscomb-OH, Jack Glass-IA, Gary Henderson-NM, Merlin Bondhus-CO, J.L. Hargett-OK, Capt. Lee-CO, Lloyd Burgess-OK, Al Nystrom-WA, Ray Leafgreen-OK, Glen Higley-UT, Jerry Jaeger-IL, Larry Elman-CA, Steve Hayden-WI, Jim Raye-IL, Bob Lubetkin-IA, Dana Roberts-NY, Alan Wheinberg-CA, Lee DeGood-MI, Charles Parrish-MN, Keith Kwallek-WI, Wayne Wokal-MN, Dave Deitchmon-WI, Moneta-MN, Al Zaika-NJ, plus numerous others. A very few tables are available at this writing but are going quick -- call.

FOR THE FAMILY: I'm running out of space again! The division-leading Twins will be in town Aug. 30-Sep. 2, the Minnesota Zoo is just a few miles south (highly recommended), Fort Snelling including renactments is next door (also a winner), nature trails are a block or so away, the giant state fair runs through Labor Day, Southdale & other shopping are close -- trans. can be arranged with the hotel. Let me know if you are coming in early.

????? Dick Grinolds, Box 18002, Minneapolis, MN 55418 (612)-331-8246

HOW TO GET THERE: Flying -- After you pick up your luggage on the lower concourse, call the Holiday Inn International from the bank of hotel phones located directly across from the luggage carousels at each end of the concourse and ask to be picked up by the free hotel van. Follow the overhead signs to the hotel courtesy van pickup area. Make sure you take the Hol. Inn International van as several Holiday Inns service the airport. If you are not staying at the Holiday Inn, cabs are available.

Driving -- South and West -- If you come in Interstate 35W, Hwy 77, 169, 5, 7, 12, or 55, take Interstate 494 east to 34th Ave. S. exit, then right (south) two blocks to the Holiday Inn International.

East -- If you come in I35E, Hwy 55, 52, 10 or 61, take I494 west to 34th Ave. S., then left two blocks to the hotel. If you are on I94 from Wisconsin, take I494 around to 34th Ave. S.

North -- If you come in I35, Hwy 10 or 65, take either I35E or I35W all the way through the cities to I494, then to the 34th Ave. S. exit. If you are I94 from North Dakota, take I494 around the suburbs to 34th Ave. S.

WHEN YOU ARRIVE: The front desk and hotel porters are on the first floor. The hotel parking and loading/unloading entrance are on the top level of the parking ramp, and the trading room and bourse room are straight ahead.

SHOW HOURS:

Friday, August 30	--	Trading Room from 10 AM to 5 PM Dealer set-up from 5 PM to 9 PM
Saturday, August 31	--	Dealer Set-up from 7 AM to 9 AM Open to public from 9 AM to 6 PM Auction 8 PM on
Sunday, September 1	--	Dealer set-up from 8 AM to 9 AM Open to public from 9 AM to 1:30 PM

SECURITY: We use off duty Ramsey County (St. Paul) Deputy Sheriffs as our main security force as they have worked the local coin shows for over 15 years and are familiar with how a bourse should operate. They are armed and in plain clothes for more effective loss control. There will be at least one guard on duty from 5 PM on Friday until 4 PM on Sunday but remember that all material is left at your own risk -- the hotel & the show organizers are not responsible for any loss by any means that may occur -- there are thieves in every city in the country. We will use a one door entrance and the room can be completely locked at night. Our guards do not sleep through the night and have direct contact with the hotel security and the local police. Dealers will have to wear their name tags to be in the bourse room during set-up hours.

CASES: We use deep Allstate cases with individual keys or combination locks. In the unlikely event that we exceed our capacity of deep cases, we may substitute a single shallow ANA-type case on multi-case tables.

WHEN THE MUSICS'S OVER: As there is another group coming in behind us, please pack and depart the bourse room as scheduled. Please pack up any rental cases & lights in the manner in which you found them.

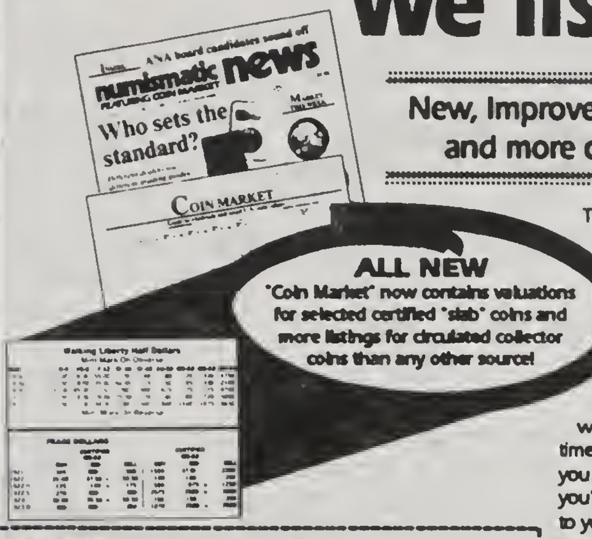
"We listened to you!"

New, Improved "Coin Market" features "slab" coin prices and more circulated grades than any other source!



ALL NEW
"Coin Market" now contains valuations for selected certified "slab" coins and more listings for circulated collector coins than any other source!

The hobby's leading value guide, "Coin Market" has been significantly improved once again, to make it an even more vital source of what you need the most – cold, hard, reliable market data that will help you make the right decisions in your coin dealings.

From a more prominent front page position, Bob Wilhite's "Market This Week" column is more accessible than ever, delivering the latest market data to you. The expanded 12-page – up from 10 – first-of-the-month "Coin Market" comes in a convenient, pull-out format (as do the weekly four-pagers) that gives you a wealth of coin values in one source, at one time. It's not spread out over several issues, meaning you'll have the information you need, right at your fingertips. Today, not in a week or two, or three. Plus, you'll now get values for selected certified coins. And you'll find that we listened to you. When you wanted more values for circulated coins, like G Two and Three cent pieces, G Walking Liberty half dollars, VF Barbers, and many AU grades, we added them. In fact, you'll find more values for circulated coins in "Coin Market" than in any other single source.

Combine the newest additions to the "Coin Market" with the News' timely news delivery, in-depth hobby reporting – including the hobby's only full-time Washington, D.C. news bureau – great coin buys from trustworthy advertisers, the largest coin show calendar and FREE classified ads to subscribers every week – a $260 yearly value – and you can see that Numismatic News has more of "something for everyone" than ever before. Plus, you've got our famous no-hassle refund policy on unmailed issues.

Collection: Arizona trade tokens

Before the territory of Arizona became a state in 1912, businesses used metal tokens as promotional items. Tokens were also frequently used to augment a scarce supply of coinage and paper money during the days of pre-statehood. The brass or aluminum tokens were circulated between 1880 and 1930, and imprinted with such messages as "Good for 12 1/2 Cents in Trade," or "Good for a Free Cigar." Bob Temarantz has been collecting the old trade tokens for more than 10 years, and with more then 1,000, owns the largest collection of Arizona trade tokens in the state. The tokens originate from over 150 different towns in Arizona. Bob has found tokens at flea markets and coin shows, but he says the tokens are getting more difficult to find—probably because he has most of them.

SUBMITTED BY PETER SPOONER - -

JOHN BILLING, GLOBE, ARIZONA

(-JANUARY 1893 - November 24, 1898.)

OBVERSE: J. BILLING - GLOBE, A.T.
REVERSE: GOOD FOR - 1 - DRINK
METAL: BRASS SIZE: 25mm RARITY: R9 (3-6 KNOWN)

The town of Globe, Arizona in the 1890's tripled its size in population from 800 to over 2,500 people. Mining was a principal resource of the area and along with the miners came the saloonkeepers. One such saloonkeeper was John Billing who operated The California Saloon between 1893 until he sold it on November 24, 1898.

In January 1893, we first see John Billing listed as a saloonkeeper. In the directory his name is misspelled as Billings, but he is the only one listed. In the Arizona Silver Belt we see his ad on November 23, 1895 which tells us the name of his saloon, The California Saloon. The ad announces that The California Saloon run by John Billing is one of the well known places of entertainment.

On January 11, 1896 John Billing erects a new building that ajoins The California Saloon. Part of this new building will be partitioned off and occupied by F.D. Dimock, barber. The back of the building will be "fitted up" for a card room to go along with liquor and cigars.

Peter J. Breslin on November 24, 1898 purchased The California Saloon from John Billing. Mr. Breslin secured a new lease and took possession on the 24th. In the ads it is seen that the name of the saloon was kept the same.

Mr. and Mrs. John Billing leave Globe, Arizona on December 18, 1898 and head for California. In California they want to look for a place to settle down. It seems that for Mr. Billing just working in The California Saloon was not good enough, he had to live there also.

NEW BOOK ON SOUTH CAROLINA TOKENS NOW AVAILABLE

It's been five years since I began research for my book on South Carolina tokens, and the project has finally reached completion. I received my first shipment of books earlier this year and am now filling orders. South Carolina Tokens is a 262-page, large format (8½" x 11"), hardback book, listing about 1800 tokens from over 250 different towns. Rarity ratings are given for each token. Also featured are approximately 1400 photographs and a liberal amount of historical information on the issuing merchants and companies. The cost is $49.95 postpaid and can be ordered by sending check to:

It's been five years since I began research for my book on South Carolina tokens, and the project has finally reached completion. I received my first shipment of books earlier this year and am now filling orders. **SOUTH CAROLINA TOKENS** is a 262 page, large format (8½" x 11"), hardback book, listing about 1800 tokens from over 250 different towns. Rarity ratings are given for each token. Also featured are approximately 1400 photographs and a liberal amount of historical information on the issuing merchants and companies. The cost is $49.95 postpaid and can be ordered by sending check to:

NATIONAL TOKEN & MEDAL SHOW
August 31 - September 1, 1991
Holiday Inn International Airport
I494 & 34th Avenue S., Bloomington, Minnesota

Everything is falling in place nicely for the best ATCO Show yet! There will be over an 80% return of dealers from last year along with many new faces, both ATCO members and area specialists. Put these dealers in a quality site, add a healthy dose of collectors of all types, and you come up with the kind of exonumia show you would want to attend.

HOTEL: The Holiday Inn is holding a block of rooms for ATCO members at the convention rate of $45.00 per night, single or double. Contrary to second-hand rumor, there are rooms available (at this writing) specifically being held for ATCO -- call the hotel at **(612)-854-9000** & ask for the ATCO room rate -- don't wait until the last minute! The hotel runs a frequent free shuttle to and from the airport at all hours for hotel guests -- inquire at the front desk for times.

AUCTION: The Charles E. Kirtley auction will be held at 8 PM on Saturday in the Beacon Room. Many of you have already received the auction catalog -- if you want a copy, contact Chuck through his ad in this issue of ATCO -- lots will be available at the ANA for viewing.

NUMISMATIC NEWS: Continuing their commitment to all aspects of numismatics, Krause Publications will devote much of the September 3 issue of Numismatic News to tokens and medals in general with some particular emphasis on the ATCO Show. Clifford Mishler and possibly others will attend the show with their usual booth and samples. If you want to advertise in the special edition of NN, call Tom Hammel or Joel Edler at 715-445-2214 for display ad information -- mention ATCO or my name and get 10% off your all-token & medal display ad. Deadline is Aug 20.

WHO ELSE IS COMING? In addition to the all star cast mentioned in last month's ATCO, the following have also reserved tables: Jere Runciman-CA, Travis Roberts-TX, Bill Massey-GA, Roger Winklehake-NE, Bill Clapper-SD, Levi Schleuning-KS, George Hosek-NE, Gaylor Lipscomb-OH, Jack Glass-IA, Gary Henderson-NM, Merlin Bondhus-CO, J.L. Hargett-OK, Capt. Lee-CO, Lloyd Burgess-OK, Al Nystrom-WA, Ray Leafgreen-OK, Glen Higley-UT, Jerry Jaeger-IL, Larry Elman-CA, Steve Hayden-WI, Jim Raye-IL, Bob Lubetkin-IA, Dana Roberts-NY, Alan Wheinberg-CA, Lee DeGood-MI, Charles Parrish-MN, Keith Kwallek-WI, Wayne Wokal-MN, Dave Deitchmon-WI, Moneta-MN, Al Zaika-NJ, plus numerous others. A very few tables are available at this writing but are going quick -- call.

FOR THE FAMILY: I'm running out of space again! The division-leading Twins will be in town Aug. 30-Sep. 2, the Minnesota Zoo is just a few miles south (highly recommended), Fort Snelling including renactments is next door (also a winner), nature trails are a block or so away, the giant state fair runs through Labor Day, Southdale & other shopping are close -- trans. can be arranged with the hotel. Let me know if you are coming in early.

????? Dick Grinolds, Box 18002, Minneapolis, MN 55418 (612)-331-8246

ATCO '91 ATCO '91 ATCO '91

HOW TO GET THERE: Flying -- After you pick up your luggage on the lower concourse, call the Holiday Inn International from the bank of hotel phones located directly across from the luggage carousels at each end of the concourse and ask to be picked up by the free hotel van. Follow the overhead signs to the hotel courtesy van pickup area. Make sure you take the Hol. Inn International van as several Holiday Inns service the airport. If you are not staying at the Holiday Inn, cabs are available.

Driving -- South and West -- If you come in Interstate 35W, Hwy 77, 169, 5, 7, 12, or 55, take Interstate 494 east to 34th Ave. S. exit, then right (south) two blocks to the Holiday Inn International.

East -- If you come in I35E, Hwy 55, 52, 10 or 61, take I494 west to 34th Ave. S., then left two blocks to the hotel. If you are on I94 from Wisconsin, take I494 around to 34th Ave. S.

North -- If you come in I35, Hwy 10 or 65, take either I35E or I35W all the way through the cities to I494, then to the 34th Ave. S. exit. If you are I94 from North Dakota, take I494 around the suburbs to 34th Ave. S.

WHEN YOU ARRIVE: The front desk and hotel porters are on the first floor. The hotel parking and loading/unloading entrance are on the top level of the parking ramp, and the trading room and bourse room are straight ahead.

SHOW HOURS:			
	Friday, August 30	--	Trading Room from 10 AM to 5 PM Dealer set-up from 5 PM to 9 PM
	Saturday, August 31	--	Dealer Set-up from 7 AM to 9 AM Open to public from 9 AM to 6 PM Auction 8 PM on
	Sunday, September 1	--	Dealer set-up from 8 AM to 9 AM Open to public from 9 AM to 1:30 PM

SECURITY: We use off duty Ramsey County (St. Paul) Deputy Sheriffs as our main security force as they have worked the local coin shows for over 15 years and are familiar with how a bourse should operate. They are armed and in plain clothes for more effective loss control. There will be at least one guard on duty from 5 PM on Friday until 4 PM on Sunday but remember that all material is left at your own risk -- the hotel & the show organizers are not responsible for any loss by any means that may occur -- there are thieves in every city in the country. We will use a one door entrance and the room can be completely locked at night. Our guards do not sleep through the night and have direct contact with the hotel security and the local police. Dealers will have to wear their name tags to be in the bourse room during set-up hours.

CASES: We use deep Allstate cases with individual keys or combination locks. In the unlikely event that we exceed our capacity of deep cases, we may substitute a single shallow ANA-type case on multi-case tables.

WHEN THE MUSICS'S OVER: As there is another group coming in behind us, please pack and depart the bourse room as scheduled. Please pack up any rental cases & lights in the manner in which you found them.

New breed of subway cheaters

By LEWIS GRIZZARD
King Features Syndicate

A California reader sent me a copy of a Los Angeles Times article that absolutely astounded me and I'm not easily astounded.

LEWIS GRIZZARD

Pay attention to the news and sooner or later, you will see, hear and read just about everything.

But this one got me. Even if the story was out of New York City, the Grand Central Station of weirdness.

Hold on to your hat.

One out of every 13 New York subway riders, according to the report I read, sneaks in without paying the $1.15 fare.

"They enter through the exit gates, they shimmy through the turnstiles, they vault over, they limbo under," the article said.

None of that astounded me. The last time I rode the New York subway, I noticed a sign that said it was a $50 fine to spit. But there was no notice of what you must pay if you throw up. That makes great sense. Fifty dollars to spit but nothing to throw up.

And speaking of throwing up — and here's where you need a firm grasp on your hat — there's a brand-new breed of subway cheater in New York:

The token sucker.

You read correctly. Not toe sucker. A lot of people suck toes. Doctor Ruth recommends it.

But token suckers?

The article explained:

"They (token suckers) stuff the coin slots with paper, then suck out the jammed tokens, their lips pump cold metal that has been touched by a million fingers."

Not to mention the sucked-out tokens. Where on earth have they been?

The token suckers are mostly homeless paupers, and the subways are crammed with them.

One token sucker, described as an old man with bloodshot eyes, said he sells the stolen fares on the streets for 75 cents.

But isn't token sucking a rather nasty process?

"... I know it's unsanitary," he was quoted as saying. "Hard times make you do it. Anyways, I've kissed women that's worse."

I've kissed a few who were Cadillacs the night before and Studebakers the next morning, but I'd kiss a pig square in the mouth before I'd suck on a New York City subway token box.

But I'm not homeless and I'm not a pauper.

Then again if I were homeless and a pauper I still wouldn't resort to token sucking.

I'd mug some guy in a business suit or stick up one of those hot dog stands you see on New York streets.

Token sucking.

I don't know what eventually will happen to New York City. The urban rot is getting so deep there, the whole place may just rot away one day.

But token sucker was correct. Hard times are here. For the poor and in some cases the not so poor, too.

Take John Sununu. His military and corporate jets have been taken away. He can't use a limo between Washington and New York anymore.

If it gets any worse he might have to suck a few tokens just to get around.

100s of city's sewer lids stolen!

By MICHAEL TODD
Special correspondent

Big city officials are tearing their hair out over a new low in crime: The theft of sewer lids.

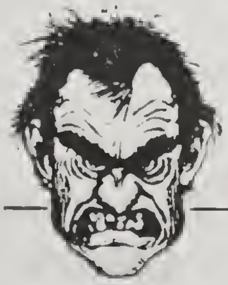
In the past three months, more than 400 of the heavy cast-iron discs have been stolen from sewer manholes all over Detroit, leaving behind gaping and dangerous holes that have to be plugged up again.

"They stole six blocks of them," said frustrated Water and Sewerage Department head James Heath. "All in one day."

Police think the manhole scavengers sell their loot for $10 to $15 apiece.

It costs a whopping $35 to $50 apiece to replace the stolen covers which weigh up to 240 pounds.

HOW'D I GET INTO THIS?



GOOD MORNING!

Dear Mr. Editor,

Mr. "BINKY" must have recently traveled through my part of the world.

I found this personalized scratch pad of his that must have fallen from his truck.

Please return it to him. Thank you,

E. Randall

Before I can send it to him I've got to find out where he is. I heard he got caught with a truck load of man hole covers.

NW TAMS Token Show Summary

On July 13th & 14th, the 5th annual NW TAMS token show was held in Wilsonville Oregon. Collectors and dealers from Washington, Oregon, Idaho and California were in attendance. Highlights of the show included two days of buying, selling and trading of tokens, a 250 lot auction on Saturday afternoon and a business meeting on Sunday. Many of those attending also found time to visit the 1200 table collectibles show in nearby Portland Oregon.

In addition to the two day summer show, the NW TAMS organization also holds 4 one day shows during the year. The next 4 shows will be held on Sept. 15 and December 8th, 1991, and February 23rd and May 3rd, 1992 in Tacoma Washington. Admission is free, and all are encouraged to attend. Next years summer show will again be held in Wilsonville Oregon on July 12th and 13th, 1992.

NEW BOOK ON SOUTH CAROLINA TOKENS NOW AVAILABLE

It's been five years since I began research for my book on South Carolina tokens, and the project has finally reached completion. I received my first shipment of books earlier this year and am now filling orders. **SOUTH CAROLINA TOKENS** is a 262 page, large format (8½" x 11"), hardback book, listing about 1300 tokens from over 250 different towns. Rarity ratings are given for each token. Also featured are approximately 1400 photographs and a liberal amount of historical information on the issuing merchants and companies. The cost is $49.95 postpaid and can be ordered by sending check to:

REVIEW OF THE MINNEAPOLIS 1991 ATCO SHOW

By Alan Weinberg

ATCO '91 In Minneapolis is history. There are positive and negative aspects to be reviewed.

The Hotel was modern, spacious, resonably priced. It was excellent so far as the facilities for the bourse and auction. It was well lighted.

Chuck Kirtley's auction was heavily attended and bidding was active. There was significant mail participation and there were few bargains. Floor competition was vigorous too. A maverick salon soared to $132. A moderately rare Alaska token brought $456 to a mail bidder.

But, public and collector attendance was noticeable way off. "DEALERS" (actually almost all of whom are only collectors who take tables at ATCO each year) remarked about good sales/purchases among themselves. But attendance from collectors traveling to the show was dismal. Many faces who attended all or most of the previous ATCO shows were absent this year.

A combination of factors contributed. Scant and short term publicity in the various collector journals. Publicity increased only in the past month or so hardly allowed people to obtain resonable air fares or plan a long drive midsummer around work and vacation schedules. I spoke to over a half dozen ATCO members who didn't come because they couldn't obtain affordable air fares - fares available earlier in the year.

Since the show organizer believed that 75% of show attendance was to be local and that few traveled substantial distance to ATCO publicity outside of the Minneapolis area was unnecessary.

Alleged percentages aside, be assured that the collectors who do travel the greatest distances to ATCO are among the biggest spenders/traders and among the most serious collectors.

Business and trading among those who did attend was substantial, proving that the economy notwithstanding one's hobby is as important as food and water. No one that I talked to believed that the low attendance was attributed to the state of the economy. It was lack of prominent and long term publicity in the so-called "obscure" collecting journals (Like TAMS and ATCO, etc.).

There was a great deal of talk and interest expressed of moving the 1992 ATCO show back to Omaha, under the guidance of George Hosek and the Omaha Coin Club. A new improved hotel facility there has been chosen and an ATCO board decision has probably been made by the time that you read this review.

To close, I can assure you that the hobby is alive and well and our future is far brighter than the realted numismatic hobby.

SO, UNTIL NEXT YEAR - - - HAPPY COLLECTING.

Welcome to another listing in an new format...Taking me a little while to get used to this new program, hopefully it'll print out legibly. Please look carefully as there are a few nice pieces listed... Usual ATCO Rules except I reserve the right to refuse any bid, trades have preference and I do close on the 25th, please don't mail 2 or 3 days before the end as I won't get it in time, besides the first person on any tie bids wins the lot 'nuff said...

I received my first shipment of books earlier this year and am now filling orders. **SOUTH CAROLINA TOKENS** is a 262-page, large format (8½" x 11"), hardback book, listing about 1800 tokens from over 250 different towns. Rarity ratings are given for each token. Also featured are approximately 1400 photographs and a liberal amount of historical information on the issuing merchants and companies. IT HAS BEEN DECIDED THAT THE ATCO SHOW WILL BE IN OMAHA NEXT YEAR!!!

A SURVEY WAS SENT OUT TO THE DEALERS WHO WERE AT THE SHOW AND 25 VS 19 FOR THE SHOW IN OMAHA. ALSO, 4 DID NOT CARE WHERE IT WOULD BE, THEY WOULD GO TO EITHER.

THE DIRECTORS VOTED 4 to 3 FOR THE SHOW IN OMAHA NEXT YEAR.

DICK GRINOLDS DID A BEAUTIFUL AND PROFESSIONAL JOB AND MAYBE WE CAN GO BACK THERE THE FOLLOWING YEAR.

GARY YOUNG SUGGESTED THAT THE ATCO SHOWS SHOULD BE ON A YEAR TO YEAR BASIS AND ANYONE WISHING TO SUBMIT A BID FOR THE SHOW FOR 1993 SHOULD HAVE ALL THE INFORMATION IN BEFORE THE 1992 SHOW SO THAT THE DIRECTORS CAN MAKE A DECISION AT THE SHOW AS TO WHERE IT WILL BE THE NEXT YEAR. MERLIN BONDHUS, JERE RUNCIMAN AND TRAVIS ROBERTS AGREED WITH THIS SUGGESTION.

CATALOG - HELP !

I am cataloging Woodmen of the World (W.O.W.) Fraternal Life Insurance Society pieces but have not been able to compile a complete list of 'Camps'. I'd appreciate help from ATCO members in obtaining camp numbers, names & locations. If you will send me your descriptions or lists of uncommon badges, medals, tokens or camp numbers, names, etc., I'll be able to publish a camp list prior to a complete catalog of known camp pieces (of which there may be some 1000). W.O.W. dates to 1890 and most POLK directories list camps under 'Organizations' or 'Lodges' in the front of the directory. I have attributions for the following camp numbers (WOW Camps should not be confused with M.W.A. Camps):
5,13,54,64,65,69,77,89,91,95,103,107,119,127,140,154,160,175,176,179,191,207,238, 261,264,266,285,286,288,306,316,319,321,339,396,409,427,437,470,634,666,696,740, 750,773,775,787,808.
If a piece has only a name or number, please include it, as sooner or later I'll be able to match most pieces up. For all who send me information, I will personally send you a prepublication list of camp numbers/names in return as soon as information is compiled.

FOREIGN TOKENS!

I'm still looking for those odd pieces you have in the back of your double-row boxes - either on consignment for my auctions or to buy outright. Ask about my consignment rates.

I also keep a large stock of books on world tokens. Ask for a free list.

If you send me a stamp I'll attribute your foreign tokens for free.

Best of collecting to you.

I received my first shipment of books earlier this year and am now filling orders. **SOUTH CAROLINA TOKENS** is a 262-page, large format (8½" x 11"), hardback book, listing about 1800 tokens from over 250 different towns. Rarity ratings are given for each token. Also featured are approximately 1400 photographs and a liberal amount of historical information on the issuing merchants and companies. Dear Mr. Editor, Oct. 25, 1991

Enclosed are photos of a token display I set up in our local library. The library owns the display case in which they feature various hobbies of the area residents.

In the three days since setting up the display, I've purchased several tokens (one old saloon piece) from people who have been in the library looking at the display.

As you can see in the photos, I used plain white cards to type a brief history of the use of tokens and types that were used, which seems to fascinate a lot of the on-lookers.

Anyway, thought I'd pass on this suggestion in case some of the ATCO members haven't thought about it.

I believe it might even be worth it to furnish an inexspensive showcase if necessary, for a library that doesn't have one or offer this service to the people.

It is a popular feature of our Bookhouse and it's good free advertising and exposure.

Sincerely,
Elmer Randall

PS: Keep the photos or discard.
I don't need them back.

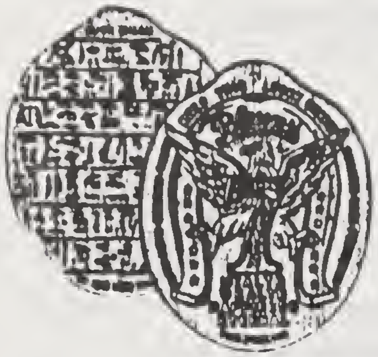
LUCK CHARM
BLUM'S TELLS THE TRUTH



THE BLUM'S CHARGE TOKEN EXPOSED

BY: RUSS SEARS

I can still remember seeing the Blum's Lucky 7 token when I was a coin dealer in Baltimore during the early and mid-1960's. Back then, tokens weren't worth anything, so I did not pay a lot of attention to them. Too bad.

When charge tokens were catalogued in recent years, I stayed fairly quiet about my feelings about the Blum's piece. I thought that there were just too many of them to be charge tokens, but more important, I felt that the numbers would be hard to read by the sales clerk, many of whom were elderly ladies.

Recently, I purchased several account books, some of which were from Blum's. These are the books in which your credit purchases were posted along with your payments, usually required on a weekly basis. What is most interesting about the books is the use of the Blum's "charge token".

Blum's, located at 301-319 N. Gay Street was the "Originator of the LUCKY SEVEN idea and The Home of the Scarab LUCK CHARM". The charms were free to any adult who requested one. No purchase was necessary. They were for good luck from " THE LUCKY-7 TRUTH STORE" where "BLUM'S TELLS THE TRUTH".

So, now the truth is known. The Blum's Lucky Seven token is not a charge token, but merely a good luck piece.

NEW BOOK ON SOUTH CAROLINA TOKENS NOW AVAILABLE

It's been five years since I began research for my book on South Carolina tokens, and the project has finally reached completion. I received my first shipment of books earlier this year and am now filling orders. **SOUTH CAROLINA TOKENS** is a 262-page, large format (8½" x 11"), hardback book, listing about 1800 tokens from over 250 different towns. Rarity ratings are given for each token. Also featured are approximately 1400 photographs and a liberal amount of historical information on the issuing merchants and companies. The cost is $49.95 postpaid and can be ordered by sending check to:
